## **INTERNAL AUDIT REPORT**

**FOR THE YEAR ENDED 31 MARCH 2024**

## **INTRODUCTION**

An internal audit of the Parish Council's financial records for the year 2023/2024 has recently been completed. The audit included all financial transactions for the period 1 April 2023 to 31 March 2024 inclusive.

The audit was undertaken in compliance with the requirements of the Accounts and Audit (England) Regulations 2015, and in accordance with the agreed and accepted Audit Plan.

Regulation 3 of the Accounts and Audit (England) Regulations states that the Parish Council must ensure that it has a sound system of internal control which—

- (a) facilitates the effective exercise of its functions and the achievement of its aims and objectives;
- (b) ensures that the financial and operational management of the authority is effective; and
- (c) includes effective arrangements for the management of risk

Regulation 5 of the Accounts and Audit (England) Regulations states that the Parish Council must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, and any officer or member of the Parish Council, if required to do so for the purposes of the internal audit shall -

- (a) make available such documents and records; and
- (b) supply such information and explanations;

The objective of the internal audit is to determine whether the accounting arrangements, procedural controls, records, and documentary evidence are adequate to ensure the accurate and timely recording of financial transactions, so as to comply with all relevant legislation and best practice.

## **SCOPE**

The audit included examination of the RIALTAS nominal ledger, receipts and payments account and annual return for the period, review of bank statements and cheque book stubs, review of supplier invoices and claims for reimbursement, review of receipts, review of agendas and minutes of meetings, review of budgets, review of fixed asset register and insurance policy, and confirmation that bank reconciliations and reports are prepared regularly and reviewed at meetings of the Parish Council.

## **FINDINGS**

- 1) Monies paid and received during the year have been accurately recorded and reconciled to the bank and cash balances.
- 2) It would be useful if the nominal code could be recorded on the purchase invoices.
- 3) VAT had been correctly recorded and reclaimed from HMRC.
- 4) The fixed asset register should include the microphone system purchased in the year.
- 5) I reviewed the Council website to ensure that the Local Government Transparency Code 2015 had been correctly implemented and adhered to.

## **SUMMARY AND OPINION**

One of the functions of internal audit is to give assurance to members of the council that the financial systems are operating correctly, and can be relied upon.

In connection with my examination, and having regard to the items reported herewith, no matter has come to my attention that gives me reasonable cause to believe in any material respect that the regulatory requirements have not been complied with.

The accounting arrangements, procedural controls, records and documentary evidence are considered to be satisfactory, and, following amendment, accurately record the Council's financial position.
